Glessner

November 16 – February 16

Courtyard by Marriott at the Navy Yard

1001 Intrepid Ave, Philadelphia, PA

Drawing inspiration from changing urban and industrial landscapes, Lorraine Glessner reimagines everyday imagery into lively abstract paintings incorporating wax, paint, collage, and organic materials. The result is a vibrant harmony of elements evoking the relationship between the individual and their surroundings.

The exhibition space is open to the public 24 hours, 7 days a week.
