DAVID COLLINS' GEOMETRIC PAINTINGS

Like I do with most artists, I discovered abstract painter [David Collins](http://davidcollinsstudio.com/) (<http://davidcollinsstudio.com/>) on [Pinterest](http://pinterest.com/stylecarrot/abstracts/) (<http://pinterest.com/stylecarrot/abstracts/>), following the link through to [Kenise Barnes Fine Art](http://www.kenisebarnesfineart.com/david-collins-work/) (<http://www.kenisebarnesfineart.com/david-collins-work/>) in Westchester County, New York. Collins studied at RISD, and culls the visual language for his geometric planes of color from recollections of airports, homes, and construction sites. The vibrant combinations are perfect for [CMYK](http://design-milk.com/tag/cmylk/) (<http://design-milk.com/tag/cmylk/>).
