DAVID KONIGSBERG

BIOGRAPHY

David Konigsberg lives and works in Hudson, New York. His work has been exhibited in galleries and art centers throughout the U.S.

"David Konigsberg bridges the divide between art and real life in narrative paintings and works on paper that are both objective and conceptual. (His) work occupies a nether world of image and memory in his very personal narratives, which are not meant to be deciphered but experienced as emotional possibilities. As viewers, we become involved in the artist's drama, a universal one, of what it means to be human. For Konigsberg, the path is pleasurable and visually enticing." - Margaret Neill, curator 4Sight, Realism to Abstraction Kentler International Drawing Space, Brooklyn NY February 21, 2002
